Making students Physically Fit, Mentally Sound and Emotionally Balance. Physical education is a field in college that helps prepares students to maintain physical fitness and a healthy lifestyle.

A CODE OF BEHAVIOUR IN SPORT Kittel Arts College believes that all students should participate in a wide range of competitive sports. Each student should participate in the programme as fully as possible and uphold the Sportsman spirit.

The following is a set of guidelines to Physical Director and faculties to enable them to get the maximum benefit from sport and to encourage good sportsmanship.

Each student should give a reasonable time each week to training in order to maintain a balance with time allocated to study, co-curricular activities, and social activities.

All the courtesies should be observed: teams must be punctual;

Play may be hard and vigorous in body contact sports but never deliberately foul or unfair. A player using deliberate violence should be removed by the Physical Director before it becomes necessary for the umpire to take action.

Behavior on and off the field must be modest and restrained.

Bad language is not to be tolerated (a player offending in this way should be removed by Physical Director or umpire).

Good play should be recognized, whether by an opponent or a member of one's own College.

The umpire's decisions must be accepted without negative response by players.

Unfair tactics must never be used. This includes the use of provocative comments of a personal nature.

“Annual Sports Meet” –All the students must take part with sport dress.

CONCLUSION

“The main aim of education is not only to impart knowledge but also to make the recipient a human being”. Education without values would be only words without meaning. The education that is imparted in our college, I am proud to say, is real education where we teach our beloved students to be human beings with high moral values. I express my deep sense of gratitude to all who in their own way have helped in raising the institution where it stands today. I express my gratitude to our beloved President Rt.Rev.Dr.Martin.C.Borgai. for his valuable guidance and support. At this moment I thank the Principal of the College, Trustees of the management and the staff of the College. I thank all the administrative staff who stood by me throughout the academic year. My whole hearted thanks to all parents and alumni who have been

in touch with us during the year through online mode and their valuable suggestions helped us to improve immensely. I look forward to your continued support in our march towards success. Dear students, my heartfelt thanks to all of you. I am sure that our collective endeavor shall take our college to greater heights in serving the society in a meaningful manner.
